INVITATION TO VIRTUAL ZOOM PUBLIC INFORMATION MEETING

Review of Planning Work for Port Improvements

The Port of Port Isabel is proposing to undertake infrastructure planning for areas of the port if awarded federal grant funds. The planning work would identify and lay out recommended improvements. The purpose is to increase business activity at the port and raise the economic future for the port, the City of Port Isabel, the Navigation District district, and other surrounding communities.

For additional information of this meeting, by clicking Public Notices; please visit the Port Isabel - San Benito Navigation District website:

www.portofportisabel.com

The Port Isabel - San Benito Navigation District will explain the proposed planning work to improve the port at a virtual ZOOM meeting and wishes to receive public comments to integrate into our planning process.
